Dear Parents and Caregivers,

It is with sadness that I write my final newsletter to the wonderful Waiau Community as I head back to my family in Christchurch. I was originally sent by the Ministry of Education for one term but Mary Kimber was then awarded a very well deserved term's sabbatical which gave me the opportunity to stay for one more term.

Over the last two weeks Mary and I have been meeting to ensure there is a smooth transition. She is tremendously excited about being back as your Principal and will continue to develop some of the initiatives we have introduced.

I will certainly miss the wonderful staff and their professional and passionate approach to your children and of course the delightful 36 students who attend Waiau School.

I plan to spend a few weeks having a holiday with my family before the Ministry of Education send me on to my next adventure.

Best wishes
Peter Kay

Emma Wallace

Emma is a great member of Room 1. She is very kind to the younger children and a great leader.

Well done Emma.
